55 FILED - U.S. BANKRUPTCY COURT - NORTHERN DISTRICT OF CALIFORNIA

56 Case: 25-01005 Doc# 2-3 Filed: 03/20/25 Entered: 09/20/25 10:07:28 Page 1 of 23

1        1. I, along with my wife, Cindy Kingsborough, am owner of Kingsborough Atlas  
 2 Tree Surgery, Inc. (hereinafter “KBA,” “Debtor,” or “Plaintiff”). I know each of the following  
 3 facts to be true of my own personal knowledge, except as otherwise stated. If called as a  
 4 witness, I could and would competently testify with respect thereto. I make this declaration in  
 5 support of KBA’s application for a Temporary Restraining Order, Preliminary Injunction, and  
 6 Turnover Order.

7        2. KBA is a Sonoma County based company that Cindy and I founded 42 years ago.  
 8 Cindy and I built KBA into a large and successful company, with hundreds of employees, that  
 9 specialized in large scale forest and vegetation management projects state-wide. With full-time  
 10 certified arborists and experienced construction crews, KBA developed a reputation for tackling  
 11 complex projects, including heavy commercial related work, utility/wood management, disaster  
 12 response and forest management.

13        3. KBA has procured tens of millions of dollars’ worth of third-party contracts with  
 14 private and public entities, and it has also invested in millions of dollars’ worth of heavy  
 15 equipment, which is the primary subject to this turnover proceeding.

16        4. On or about June 5, 2023, KBA and Cindy and I entered into a written agreement,  
 17 entitled Asset Purchase Agreement, with Anvil Power and Anvil Equipment (hereinafter the  
 18 “Agreement”) under which KBA agreed to sell KBA’s assets, including valuable third-party  
 19 contracts and equipment and other business assets. Anvil Power and Anvil Equipment, including  
 20 other related entities, Anvil Builders, Anvil Holdings, Inc., Anvil Group, LLC, are hereinafter  
 21 referred to “Anvil.”

22        5. In the Agreement, KBA and the Kingsboroughs agreed to sell all of KBA’s and the  
 23 Kingsboroughs’ rights, title, and interests in, machinery, tools, vehicles (excluding personal  
 24 vehicles), office equipment, and other tangible personal property, wherever located, designated  
 25 by written notice from Anvil Equipment, and to deliver, assign, transfer, such property to Anvil  
 26 Equipment. Such property is collectively referred to as the “KBA Equipment.”

27        6. The aggregate purchase price for the KBA Equipment is defined in the Agreement

28        // /

1 to be "determined by Buyers and Seller after reviewing the Ritchie Brothers Auctioneers  
 2 valuation and the FLV values set forth in the California Bank of Commerce valuation, provided  
 3 that the [KBA Equipment purchase price] shall not exceed Thirty Million dollars \$30,000,000."

4       7. Under the Agreement, KBA also agreed to sell to Anvil Power all of KBA's and  
 5 our rights, title, and interests in tangible and intangible assets, properties, and rights belonging to  
 6 KBA and Anvil Power agreed to purchase certain other assets, including valuable agreements  
 7 between KBA and third-parties, such as PG&E ("Assigned Contracts"), as well as intellectual  
 8 property ("IP"), and goodwill and going concern value. In consideration of that purchase, Anvil  
 9 Power also agreed to assume certain liabilities of KBA; to pay KBA \$690,000, and a percentage  
 10 of Anvil's net profit from the certain assigned contracts over a five-year period; and deliver  
 11 periodic net profit calculations.

12       8. The Agreement contemplated a formal closing process with a short window after  
 13 June 5, 2023, which allowed Anvil to identify and confirm assets Anvil would acquire and  
 14 purchase from KBA for a price not to exceed \$30,000,000.

15       9. KBA has performed under the Agreement, making available for Anvil's use KBA  
 16 Equipment, assigning multiple third-party agreements to Anvil and otherwise cooperating with  
 17 Anvil in every regard as required by the Agreement. Thus, as a result of KBA's performance,  
 18 over the last 18 months, Anvil has enjoyed all of the benefits of the Agreement.

19       10. Anvil has taken possession of tens of millions of dollars' worth of KBA Equipment  
 20 and is using such equipment or has possession of such equipment.

21       11. Anvil has failed to perform under the Agreement and has denied KBA from  
 22 enjoying the primary benefits under the Agreement, including Anvil's completion of the  
 23 purchase of the KBA Equipment and payment of a percentage of Anvil's net profits generated  
 24 from the several third-party contracts KBA assigned to Anvil, including the PG&E contract.  
 25 These benefits promised by Anvil were and are the primary inducement for KBA to enter into  
 26 the Agreement with Anvil.

27       ///

28       ///

1       12.       Anvil has taken and retained possession of the KBA Equipment without paying for  
 2 it. Anvil has since, after the fact, offered to pay rent on said equipment, and to mitigate its  
 3 damages, KBA has agreed to accept rental payments. Anvil, has nonetheless, continued to breach  
 4 under the Agreement and failed and refused to make any payments to KBA and continues to  
 5 wrongfully possess and use the KBA Equipment.

6       13.       On or about January 9, 2025, through counsel, KBA made a demand on Anvil,  
 7 among other things, to account and return such equipment to KBA, to make rental payments on  
 8 such equipment or immediately return such equipment to KBA.

9       14.       On March 4 and March 5, 2025, through counsel, KBA reiterated its demand that  
 10 Anvil return all KBA Equipment in Anvil's possession custody or control. To date, Anvil has  
 11 refused to perform under the Agreement or to return the KBA Equipment in its possession.

12       15.       On information and belief, I believe that Anvil is now attempting to secret and  
 13 remove KBA Equipment to undisclosed locations despite KBA's request that such equipment be  
 14 returned to KBA. With some vehicles in question Anvil has removed KBA signage from certain  
 15 KBA vehicles in its possession.

16       16.       Attached as **Exhibit A** is a true and correct copy of a schedule outlining the KBA  
 17 Equipment that is in Anvil's possession custody and control and which Anvil refuses to return to  
 18 KBA.

19       17.       The KBA Equipment requires regular maintenance. It is also my understanding  
 20 that multiple items of Equipment are not being properly maintained and are either now in  
 21 disrepair or in poor condition as a result of Anvil's lack of maintenance and repairs. For  
 22 example, on at least one occasion, Anvil destroyed KBA owned equipment in its possession  
 23 known as a tub grinder that has a replacement value is approximately \$1.4 Million.

24       18.       In another example, Anvil totaled a KBA vehicle in its possession without  
 25 compensating KBA.

26       19.       Anvil's conduct of secreting and removing KBA equipment and failure to maintain  
 27 said Equipment is good working condition, or negligence in operating such equipment resulting

28

1 in damage to such equipment has resulted in and will continue to result serious irreparable harm  
2 to KBA as such KBA Equipment is in danger of being lost, abandoned, destroyed and/or  
3 unavailable to KBA.

4 20. KBA is also irreparably harmed to the extent the condition of the Equipment  
5 deteriorates and falls into significant disrepair and/or poor condition because of the lack of  
6 proper maintenance. KBA is harmed financially by the loss of such Equipment, its inability to  
7 use such Equipment and the unexpected cost and expense of having to replace such Equipment.

8  
9 I declare under the penalty of perjury under the laws of the United States of America that  
10 the foregoing is true and correct and if called upon would and could competently testify thereto.
